

Charlton Martin Public Seminars presents:

Procedures & Requirements For Construction Contract Claims

Aspects of Variation Claims, Extension of Time Claims and Loss & Expense Claims will be presented in turn during the morning lectures. The speakers will deal with general requirements when preparing and presenting claims, the contractual requirements and the practicalities involved to make the process as efficient and effective for all concerned. The afternoon will be dedicated to workshops where participants can apply the material presented during the morning lectures. Reference will be made to Singapore standard forms of construction contract.
