General Description of Specialisation

- Well-known and established figure in the Hong Kong construction industry, and in the region generally.
- In private practice for 18 years as a chartered quantity surveyor, working at senior level in the UK and then in Singapore.
- Following 3 years in Singapore, joined James R Knowles in 1984 and then established their first overseas office in Hong Kong in 1985. Twenty years with Knowles, developed their businesses throughout Asia and Australia.
- Since 1985, specialized in claims and dispute resolution. Apart from business development in the Asia Pacific region, has been primarily engaged in representing all sides of the construction industry in preparation and presentation of claims or defence thereto, and their settlement.
- Acted as expert witness in numerous arbitration and litigation proceedings.
- Appointed as arbitrator on some 30 occasions, and occasionally appointed as adjudicator and mediator. Acted in expert determination.
- Acted as lay advocate in many arbitrations (with much success).
- Represented parties in major mediations.
- Very well known speaker in Hong Kong and the Asia-Pacific region. Has prepared and presented more than 500 public seminars for Knowles/Charlton Martin.

Professional Experience

- Comprehensive professional quantity surveying experience (18 years post qualification before specializing in dispute resolution).

- Advises contractors, subcontractors and employers on their contractual entitlements under various forms of contract.
- Handles negotiation and settlement of claims for clients on building and civil engineering projects.
- Provides advice in respect of all quantity surveying measurement and valuation issues, as well as contractual and commercial matters.

Arbitration Experience

- Former Chairman of the Chartered Institute of Arbitrators (Hong Kong) Branch.
- Appointed as Arbitrator on approximately thirty construction disputes.
- Representation of clients (as manager and lay advocate) in over thirty construction arbitrations.

Adjudication Experience

- Representation of clients in two construction adjudications.

Mediation Experience

- Acted as Mediator in four construction mediations.
- Representation of clients in twelve construction mediations.

Expert Witness Experience

- Provided services in many arbitrations and litigations on measurement and valuation of building and civil engineering works, including giving evidence under cross-examination before counsel and SC/QC.

Lecturing Experience

- 1993 – 1995 Lecturer at City Polytechnic of Hong Kong on PGD/MA Arbitration course.
- 1989 – 2002 Lecturer for Construction Industry Training Association.
- 1990 – 2000 Lecturer for Chartered Institute of Arbitrators (Hong Kong/East Asia Branch) on Entry Courses.
- 1987 – present Presented over 500 public seminars on a range of construction contract topics within Hong Kong and the Asia-Pacific and Australia regions.

Publications

- Publishes technical publications on contractual matters in local journals.
